

No Outsiders

At Penketh South, we currently follow the PSHE Association scheme. We have enhanced our PSHE curriculum by using recommended picture books from the 'No outsiders In Our School' resource to teach lessons that promote equality and diversity. Each book is age appropriate and has been carefully selected for each year group.

'The resource provides teachers with a curriculum that promotes equality for all sections of the community. But more than that, the resource aims to bring children and parents on board from the start so that children leave primary school happy and excited about living in a community full of difference and diversity, whether that difference is through ethnicity, gender, ability, sexual orientation, gender identity, age or religion.'
