### 15/03/24

The children were extremely busy working scientifically during science week this week. Please look on social media for all the amazing investigations that the children participated in throughout the week.

Congratulations to our 3 talented gymnasts who competed at the County Finals Competition this week. One of the girls also won a bronze medal. They all performed brilliantly and we are all so proud of them all.

Have a lovely weekend.  
Miss L Browne  
Acting Headteacher

A massive thank you to the parents/carers who attended the PTFA meeting this week. Thank you for supporting the Leap Year Disco as this raised a fabulous amount of £ 377.60. Remember it is own clothes day for Easter egg donation on Monday 18th March.

### Primary Art Network (PAN)

**Please visit the fantastic work created by your children this week as it is the final chance as it will be taken down on Thursday.** This year, our school's work will be displayed from Monday 11th March until Thursday 21st March in the Gateway Centre (across the road from the Golden Gates).

This will be open to the public during opening times.

We would also like to take the opportunity to thank the PTFA for their donation towards purchasing the materials needed and a new display board.

### Parents' Evenings

#### Tuesday 26th March and Wednesday 27th March

The appointments are being booked up really quickly, so please ensure you have booked an appointment with your child's teacher. Please book a time through Arbor, as this meeting is your chance to talk with the teacher and discuss your child's progress and attainment. It is also a chance to celebrate your child's work and see how hard they work in school. **If you are having difficulty booking through Arbor, please contact the school office.**

Thank you for your continued support.
